

Dear Community Supporter,

Prospectors' Days will be here soon! This is the **60th** year that we have celebrated Prospectors' Days, and the *Republic Chamber of Commerce* hopes that we can again count on generous sponsorships for our "Diamond Jubilee".

Over the previous years we have worked hard to build Prospectors' Days into a first-rate community festival. Some events have changed, and we are bringing in more children's activities this year. Our goal continues to be both to provide a fun family festival for our community and to draw people from out of the area to Republic. In order to help ease traffic and parking issues, we plan to once again offer the free park and ride shuttle service.

At the same time we build our festival we also strive to be financially responsible. We always work to get the most bang for our buck, whether for advertising, entertainment, services, or supplies. Rest assured that all sponsorship money will be used solely for the purpose of funding a better festival and promoting Republic as a destination.

We hope that we can count on you to help make this year's event a great one. Your contributions allow us to put on and promote Prospectors' Days and to draw more business to Republic. Below you will find the levels of sponsorship we offer for 2017. We invite you to sign up for your sponsorship level today and we thank you in advance for your support.

*Sincerely, Jim Milner*
